TIMMY THE FAST HERO

PAGE 34

SAY A BIG
"HELLO!"
TO 8-YEAR-OLD
TIMMY

He's just like any other 8-year-old in every way,
except Timmy is the grandchild of

THREE SUPERHEROES.

They might be retired now but they're still
superheroes in Timmy's eyes.

They used to be called the FAST Heroes, but
as they are now retired Timmy calls them his

GRANDHEROES.

DO YOU ALSO SEE
YOUR GRANDPARENTS AS
GRANDHEROES?

THE FIRST
OF TIMMY'S
GRANDHEROES
IS **FRANC**
THE
FACE,

THE SECOND
IS CALLED **ARMANDO**
THE ARMS

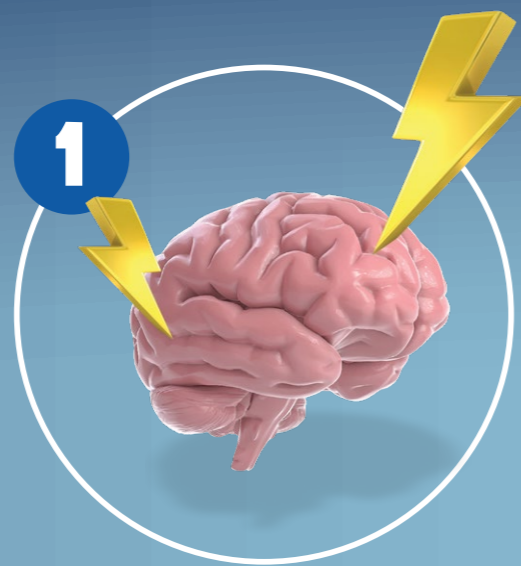

AND LAST BUT
CERTAINLY
NOT LEAST IS
SOPHIA
THE SINGER.

**WHEN THEY WERE
WORKING AS FAST HEROES,
THEY USED TO FIGHT
AGAINST AN ENEMY
CALLED THE**

EVIL CLOT

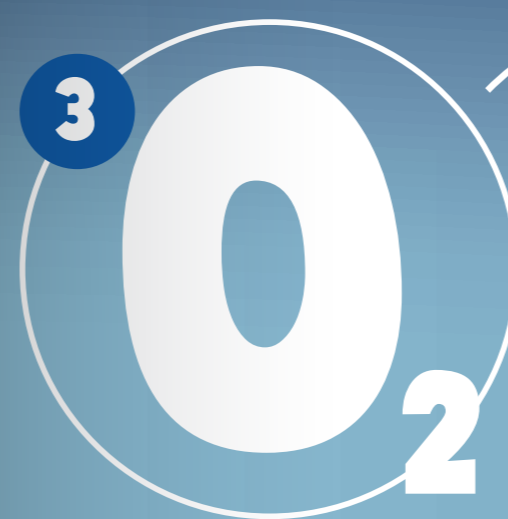

The Evil Clot is a baddie that attacks the brain and causes damage.

He strikes by blocking the flow of blood to the brain.

This starves the brain of oxygen and nutrients.

Causing the person to show one of the 112 stroke symptoms.

It's a bit like a heart attack, but it's in your brain.

The key to beating the Evil Clot is getting help as quickly as possible.

The trio were brave and super-fast, **AND TIMMY WISHES HE COULD BE A FAST HERO JUST LIKE THEM.**

CHAPTER 1

FRANC THE FACE

The problem with Timmy is that he's **SO SLOW**
and always late for everything. Just last week Timmy
was in trouble for being late for his gym class.

**"A SNAIL COULD GET HERE
QUICKER THAN YOU TIMMY!"** his teacher had said.

But Timmy's Grandheroes love him just the way he is!

**FRANC THE FACE WHOSE SUPERPOWER IS
MAKING FUNNY FACES,**

always shares a joke and has the ability to make Timmy
laugh so much that his tummy aches!

A while ago, the two of them were taking selfies and making
foolish faces when Timmy stepped backward onto his
hoverboard, lost his balance and fell to the ground. As he
fell backwards, he took Franc the Face down to the ground
with him and they both landed in a heap on the floor.

“Hey, Timmy, want to hear a joke?” Franc the Face asks.

“Sure, Grandpa Franc!” Timmy replies.

“WHAT’S FASTER, HOT OR COLD?”

“DUNNO, WHAT’S FASTER HOT OR COLD?”

“HOT, BECAUSE YOU CAN CATCH A COLD!”

Franc the Face giggles.

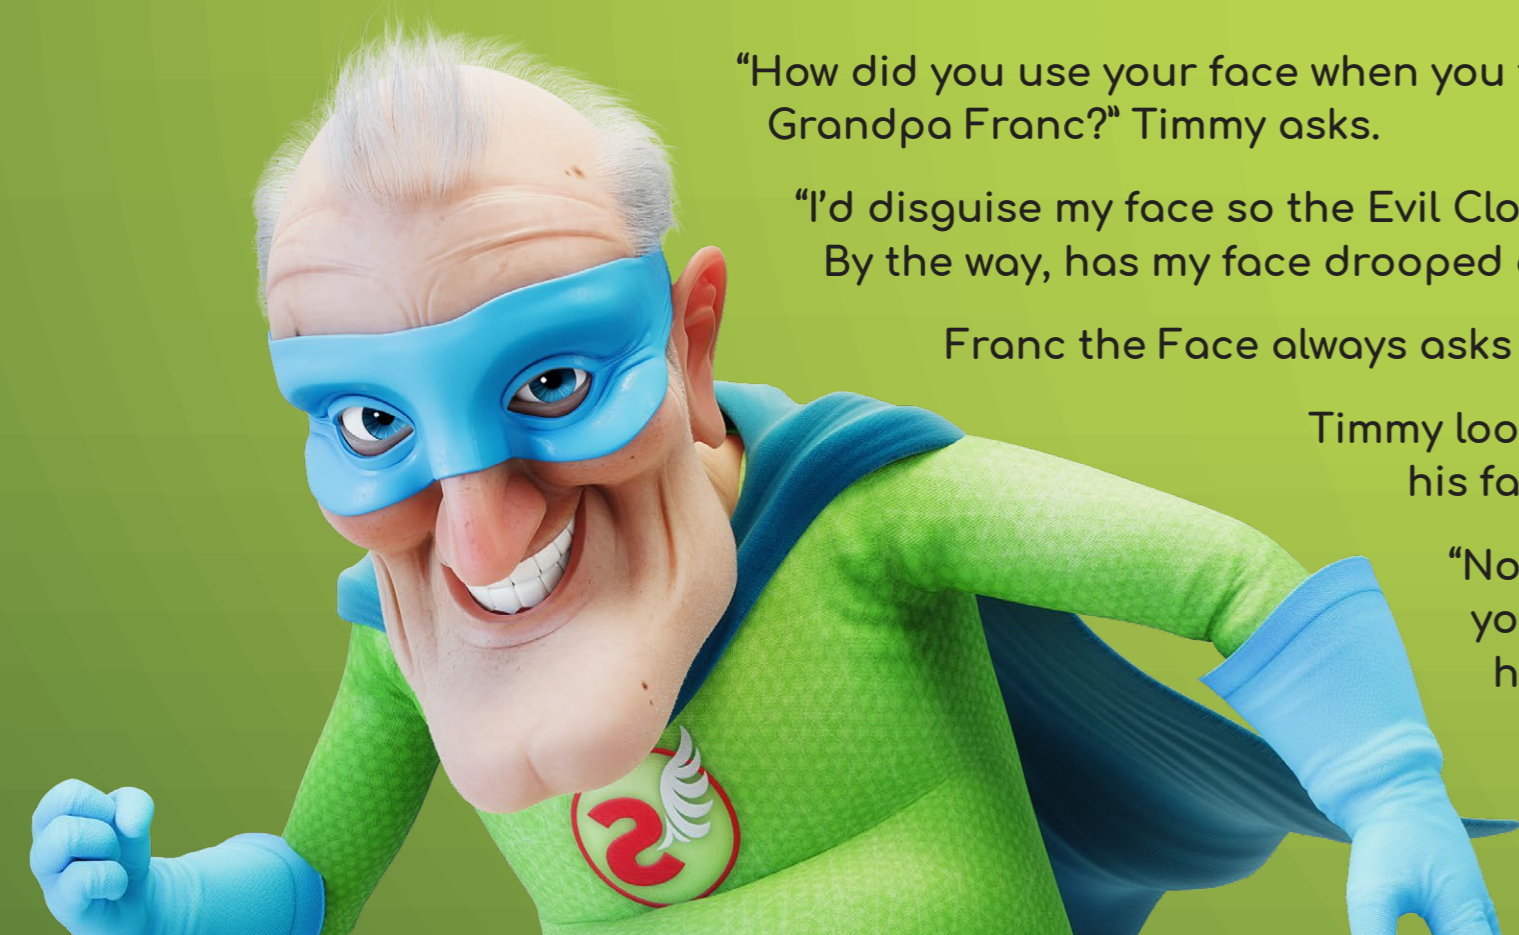

“How did you use your face when you fought the Evil Clot Grandpa Franc?” Timmy asks.

“I’d disguise my face so the Evil Clot wouldn’t know me Timmy. By the way, has my face drooped on ONE side?”

Franc the Face always asks Timmy the same question.

Timmy looks at Franc and sees that his face looks normal.

“Nope Grandpa Franc, your face looks as handsome as always!”

Franc comes closer to tickle Timmy and then says,

“ Making faces is great fun but always remember if

SOMEONE’S FACE SUDDENLY DROOPS ON ONE SIDE,

you should suspect that the **EVIL CLOT** is causing a stroke and call the

MAGIC NUMBER
112 IMMEDIATELY.

The ambulance will come and help.

“Since the FAST Heroes are retired now, we need others like you to help us fight the Evil Clot.”

“But how will I ever **REMEMBER** how to spot a stroke caused by the Evil Clot?” asked Timmy concerned.

“Simply remember the **MAGIC NUMBER 112** and then think of me” answered Grandpa Franc. Timmy frowned and seemed confused.

“How will thinking about you and the magic number help me remember” asked Timmy.

“**IT’S SIMPLE REALLY,**” said Franc the Face with a grin, “my superpower is my face, correct?”

So just link that to the first 1 in the Magic Number 112 and you would remember that if 1 side of someone’s face suddenly starts drooping, you should suspect stroke and call 112 immediately.”

“That’s really clever” thought Timmy as he put his hand on one side of his own face.

CHAPTER 2

ARMANDO THE ARMS

Timmy always has so much fun with his Grandheroes. Just yesterday he was with Armando the Arms.

Armando is so strong that he can put Timmy in the palm of his big hand and lift him up.

He often does this when he's doing his lifting exercises.

Timmy goes up, down, up, down while shrieking with laughter.

He knows that not only does his Grandpa Armando lift him up physically he also often lifts him up emotionally and makes him feel better, as he loves Timmy so much.

But yesterday Timmy wasn't shrieking with laughter when his ball ended up in the driveway, at the same time as Armando was driving in to park his car.

Timmy shouted.

“BALL!”

and raised his hands up to stop Armando driving over it but it was too late.

So, what awesome thing do you think Armando the Arms did?

**HE JUMPED OUT OF HIS CAR
AND LIFTED IT WITH JUST ONE ARM
SO TIMMY'S BALL
ROLLED OUT!**

**HAVE YOU SEEN THIS HILARIOUS

The problem was that also hiding under his car next to the ball was

A LITTLE GREEN CATERPILLAR.

Now Armando is big and strong but he's super scared of bugs, so when he saw the little caterpillar, he got such a big fright that he jumped and threw his car in the air.

HIS CAR FLEW

THROUGH THE AIR AND LANDED ON TOP OF A PARKED CAR ACROSS THE STREET.

As Armando's car crushed the parked car the car alarm went off causing even more chaos!

The noise made the little caterpillar 'play dead' and collapse on the floor.

"You're so strong Grandpa Armando!"

Timmy says later that day when he sees his Grandhero again. "Did your super strength help a lot when you fought the Evil Clot?"

"Yes, it sure did, but I always worried about the Evil Clot stealing the strength from one of my arms and making it weak. I wouldn't be so strong then."

"The Evil Clot is a real nasty baddie, isn't he?" Timmy asks, with worry in his voice.

“He sure is, which is why it is important for us to be on the lookout for signs of his evil doing.

YOU KNOW THAT IF ANYONE SUDDENLY LOOKS LIKE ONE OF THEIR ARMS HAS LOST ALL ITS POWER,

YOU SHOULD CALL THE

MAGIC NUMBER 112

AND THE AMBULANCE WILL COME AND HELP”

"I KNOW HOW I'M GOING TO REMEMBER THIS",

shouted Timmy excitedly.

"I'm going to think about the Magic Number 112 and link the second number 1 in the number 112 to your superpower, Grandpa Armando.

This way I can remember that if 1 arm suddenly goes weak, I should suspect the Evil Clot is causing a stroke and call 112 immediately."

"That's super smart" said Grandpa Armando as he lifted Timmy into his arms for a great big bear hug.

CHAPTER 3

SOPHIA THE SINGER

Timmy's third Grandhero is Sophia the Singer.

Sophia has an amazing voice and this is her superpower.

HOW CAN A VOICE BE A SUPERPOWER?

Well, Sophia's voice is so incredibly beautiful and high-pitched that she can literally break glass!

Timmy and Sophia were sitting in Sophia's car the other day eating ice-cream and listening to the radio when Sophia's favorite song started playing.

At first, she started singing softly, but as she got more into it, she sang

LOUDER AND LOUDER.

The next thing they knew the windshield on the car

SHATTERED

into a million little pieces.

Luckily, they were both okay and Timmy couldn't help but laugh about it.

COULD BREAK A GLASS
WITH THEIR VOICE?**

“GRANDMA SOPHIA, CAN THE EVIL CLOT AFFECT YOUR BEAUTIFUL VOICE?”

Later, Timmy asks,

“Yes, that horrid baddie can make my speech go funny and I won’t be able to read your bedtime stories so well.”

Timmy replies, “but you read me the best bedtime stories Grandma Sophia because you form the words so well. You really do have the voice of an angel.

Is that why they call you Sophia the Singer?”

“It sure is my dearest Timmy.”

“ I will help you when the Evil Clot strikes Grandma Sophia.

Grandpa Franc told me a clever way to remember how to spot the Evil Clot.

I will link the number 2 in the Magic Number 112 to Speech and think of you Grandma.

THIS WAY...

IF TWO LIPS SUDDENLY CAN’T FORM SPEECH,

I WILL REMEMBER TO CALL 112 IMMEDIATELY.”

"I'm so proud of you my dear, what do you say we go and buy another ice cream."

"Only if we turn the radio off this time" jokes Timmy as he gives his Grandma a hug.

Later that day when he's back home Timmy sighs,

"I WISH I COULD BE A FAST HERO JUST LIKE MY GRANDHEROES THEN I COULD HELP THEM IF THE EVIL CLOT RETURNS."

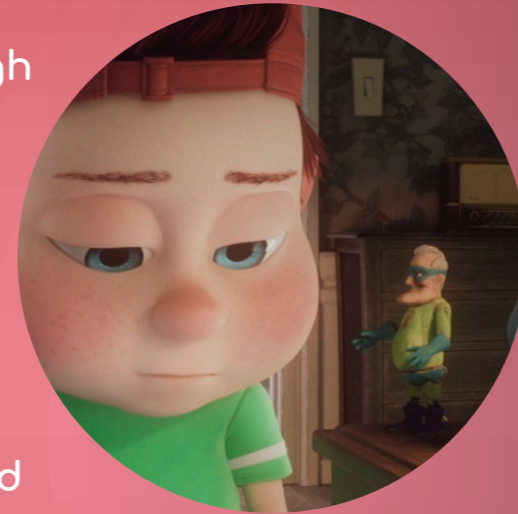

He has so much fun with all his Grandheroes and he loves them so much. Timmy wants to be able to help them if they need him one day.

"But I'm not fast enough to be a FAST Hero. I'm so slow and always late for everything.

How can I ever be like my Grandheroes?"

Timmy goes to bed and drifts off to sleep.

He has an early start in the morning, as he's visiting Grandpa Franc.

ZZZZZZZZZZZZ

CHAPTER 4

TIMMY ON TIME

The next morning Timmy jumps out of bed and as soon as breakfast is finished, he runs to Franc the Face's house.

Franc says, "Come on Timmy, I'll push you on the swing."

Timmy replies, "Yay! Okay Grandpa Franc."

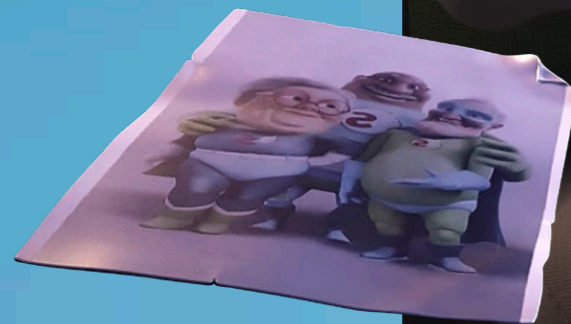

Timmy knows that when Grandpa Franc pushes him on the swing he lets him go so high that he can nearly touch the sky.

After a little while Franc says, "Right that's me out of breath! Let's find something calmer to do Timmy."

Timmy shouts at the top of his voice,

"LET'S LOOK IN YOUR MEMORY BOX!"

They head inside and Timmy sits beside his Grandpa Franc on the arm of Franc's armchair.

Franc holds a photo that shows the trio of FAST Heroes together. Timmy enjoys all their superhero stories.

SUDDENLY, IN THE MIDDLE OF A SENTENCE TIMMY NOTICES THAT SOMETHING IS NOT RIGHT.

TIMMY LOOKS AT FRANC'S FACE AND SEES THAT IT'S DROOPED ON ONE SIDE.

Without warning Franc drops the photo as his one arm suddenly goes weak and he falls to his knees.

The memory box crashes to the floor.

"Grandpa Franc! What's wrong?" Timmy shouts, as he tries not to panic.

Grandpa Franc is unable to tell Timmy what to do as his two lips suddenly can't form any understandable speech.

All of a sudden the **MAGIC NUMBER 112** comes up in Timmy's mind.

He remembers that Grandpa Franc told him to link the first 1 to him and to look out for

1 SIDE OF THE FACE DROOPING!

He thought about Grandpa Armando and the second number 1 as he saw Franc's

1 ARM SUDDENLY BEING VERY WEAK,

and he thought about Grandma Sophia as he realized that it's the

2 BROKEN LIPS THAT PREVENT FRANCO FROM BEING ABLE TO SPEAK.

**HE STAYS BESIDE FRANC AND DIALS 112,
TIMMY STAYS CALM
BUT MOVES
QUICKLY.**

Timmy grabs the pillow from the armchair and places it on the floor.

“Lie down Grandpa Franc, rest your head on the pillow.”

Timmy gently makes sure that Franc’s head is on the soft pillow and then he grabs his phone.

He tells the person on the phone that his **NAME**

is Timmy, that he thinks his Grandpa is having a

STROKE

and that the

ADDRESS

is number 22 Main street so that they can send the ambulance immediately.

When the ambulance arrives, Timmy shows them where his Grandpa Franc is, and they take him to the hospital.

Grandma Sophia turns up to make sure Timmy is okay.

CHAPTER 5

TIMMY THE FAST HERO

“GRANDPA! GRANDPA!”

A week later, Timmy is at Franc’s house wandering around aimlessly.

Timmy thinks, how will Grandpa Franc be?

I wonder if I did something wrong?
Maybe I should’ve moved quicker when I helped him.

He hears a car pull up in the driveway and peeps out from around the wall.
Franc’s home!

**TIMMY SHOUTS,
AS HE RUNS INTO
HIS GRANDPA’S ARMS.**

Franc hugs him tight and smiles.

“Come on I want you to have something Timmy.”

Franc takes Timmy's hand and leads him into the lounge. He lifts his memory box up and rummages through it.

Timmy looks down and sees Franc the Face's FAST Hero mask in his Grandpa's hands.

"For me? I'm not a FAST hero!"

Franc places the mask on Timmy and says,

**"YES, YOU ARE.
YOU SAVED MY LIFE
BY REMEMBERING
THE MAGIC NUMBER 112,"**

and you correctly spotted all the signs of the Evil Clot that caused my stroke.

"YOU'RE A FAST HERO NOW."

Timmy is so happy, as he snuggles back in the armchair with his beloved Grandpa.

**"AH, THAT'S WHAT I WAS
LOOKING FOR, HE SAYS."**

**"THIS IS WHAT I WANT
YOU TO HAVE TIMMY."**

Do you know what? Since then Timmy also has a superpower of his own.

He has lightning fast speed, he's never late as he is no longer slow.

Even his teacher now calls him

TIMMY ON TIME!

The Evil Clot now has a new FAST Hero to contend with.

WILL YOU ALSO BECOME A FAST HERO?

ALL YOU HAVE TO DO IS REMEMBER THE MAGIC NUMBER **112**

and link each number to the superpower of each of Timmy's Grandheroes. Who knows, you may one day save your Grandhero's life, just like Timmy did.
